OUSTS DR. TOLMAN

Director Tareatens Suit for Pay Under His Five Year Contract.

Dr. Charles H. Tolman has been relatived from the directorship of the American Museum of Safety, 18 West Faenty-fourth street, it was learned yesterday. His relations with the organization ended after a meeting of the rustees of the museum in the office of James Speyer, October 30. At that meeting Dr. Tolman offered his resignation, to become effective May 1, 1217.
As the date named by Lr. Toims was coincident with the expiration of h five year contract the trustees refuse to regard it as a resignation The read to him a series of charges an asked that he suspend his activities in

mediately. Since that date he has no been in charge of the exhibition of the corporation.

The charges against Dr. Tolman were The charges against Pr. Tolman were not made public yesterday by any of the officers of the museum. William J. Moran, who is secretary and commet for the organization, said it was the consensus of opinion among the trustees that nothing should be given out regarding the controversy.

Since his retirement Pr. Tolman has retained Julius Offenbach of \$2 William street to represent him. Mr. Offenbach has had correspondence with Mr. Arman suggesting that there be a settlement of a claim, which Dr. Tolman says is dishim according to the terms of the con-

him according to the terms of the con-tract. His counsel said that uness there is an adjustment of difference to-day he will begin litigation against the museum's trustees. The stimmer and complaint, said Mr Offenbach, with the filed Monday. Arthur Williams is president of the
